Dimitri Sokolov is a man scarred, physically and emotionally. From the rough streets of Moscow to the highest ranks in the Solntsevskaya Bratva, he has seen it all.

An attack four years ago left him disfigured and in seclusion, hiding from reactions to his appearance and in safety from those who failed to kill him the first time.

Comfortable in his penthouse, managing his billion dollar businesses, he's resigned himself to be alone, simply called The Beast among those who've dealt with him in the past.

Columbia Grey is a pseudo-activist trying to save her neighbourhood from a developer intent on levelling it to build apartment towers. She goes along with a plan to confront the CEO of the company on his own turf, to force him to listen to her demands...all in a pathetic attempt to impress a man she barely likes.

Little does she know, she's taken herself into the mouth of the beast, a man familiar with death and destruction, sex and seduction, a man used to getting exactly what he wants and a man with nothing left to lose.

She's a beauty, but will that be enough to tame the beast and save her life?

\*\*\* This is not a fairy tale, this is what happens when the music ends and life goes on after the credits roll. This is about simply existing until you find yourself and write your own happily ever after, no matter what form it takes.
